ASTROJET™ L1

Powered by memjet®

Introducing the new L1 Color Label Printer! The next level of Memjet® inkjet performance, versatility and ease of operation. The reconfigured Print Engine allows a flatter, unobstructed printing path for crisp, clean results job after job. This flat media path permits the Printer work with input rolls of any diameter. The Adjustable Media Sensor allows printing on a variety of label shapes. Print quality up to 1600 dpi for sharp graphic images in full process color. Bright, easy-to-use 7" Touchscreen Display simplifies Printer operation and monitoring.

Product Highlights:

- **Operator friendly 7" Touchscreen Display:**
  - **Monitor printer status, ink levels, job status and more at a glance**
  - **Touchscreen buttons control often-used printer functions**
- **Continuous print color label printer**
- **Fast: RIPs over 3 ips**
- **Prints from any diameter label roll**
- **Onboard data storage to hold a Job Library**
- **Economical. Very low cost-per-copy**
